

Cookies, Tracking Technologies, and Data Collection Policy

1. Introduction

By accessing or using EERT STORE, you agree that we may collect and process certain information for security, fraud prevention, analytics, and service improvement.

2. Data We Collect

- IP Address
- Approximate Location (Country, Region, City, ISP)
- Device and Hardware Information
- Browser Type and Settings
- Operating System
- Language and Time Zone
- Access Logs and Activity Records
- Pages Visited and User Actions
- Referral and Traffic Sources
- Cookies and Tracking Technologies
- Session and Authentication Data

3. Cookies Usage

Cookies are small files stored on your device used to improve user experience, security, preferences, analytics, and fraud detection.

4. How We Use Data

- Prevent fraud and unauthorized access
- Improve website performance and services
- Process orders and customer requests
- Maintain security and stability
- Comply with legal obligations
- Analyze usage and improve functionality

5. Data Retention

EERT STORE may retain data for as long as necessary for operational, legal, and security purposes.

6. Data Sharing

Data may be shared with trusted providers such as hosting services, payment processors, analytics tools, and legal authorities when required.

7. Cookies Control

Disabling cookies may affect website functionality and some features may not work properly.

8. Consent

By continuing to use EERT STORE, you consent to this data collection and processing policy.

9. Updates

We may update this policy at any time. Continued use of the website means acceptance of any changes.
